Ambitions Academies Trust

Dear Parents/Carers

Re: Coronavirus (COVID-19)

As we are all too aware we currently face the worst public crisis in a generation.

Our lives will be turned upside down over the coming weeks and months; I would just like to say, on the day that schools close indefinitely for the majority of pupils for the foreseeable future, that our thoughts are with all of you. We are all too aware that our families will be going through so much turmoil and we want to communicate that you are all in our thoughts in these desperate times.

I hope as a Trust that we have served you well as we have navigated through the past few weeks. It has been unprecedented times, and like everybody we have had to make decisions day by day and minute by minute.

I would like to take this moment to thank all our parents and carers for your support in these very difficult times. We are all too aware that the future for each and every one of you may be very uncertain, whether that's due to a financial situation, in that your loved ones may suffer serious health issues or in that you are a frontline worker who may be putting yourself in danger everyday due to the work that you do.

We wish each and everyone of you the safest of times and very much look forward to engaging with you again once the schools fully reopen. You will all have been given ways in which to communicate with your school staff; whatever your need big or small do reach out to us if there is anything you need. We will be here for you and will support in any way we can.

With all our best wishes.

Yours sincerely

Sian Thomas
