

16-Dec-21

We had a very special visitor to school this week and the children really enjoyed their visit. They all know to be asleep early and have been told not to wake you up until day light around 7am, I wish you luck with that!

### Message from Mrs Fish

**Well we made it!!**

**Thank you all for continuing to support us with regards COVID 19 , lets hope for a brighter new term.**

**We were sorry that not all performances were live but hope you enjoyed the videos if you were unable to come into school.**

**I am sure you will join me in a huge thank you, as always, to all the staff who work so hard especially at this time of year.**

**I wish you all a happy and healthy seasonal break and a very Happy New Year.**

Some of you may have missed Sonny over the last few weeks, he is recovering from an operation, is on the mend and hopes to join Bailey and Cookie in school in the new Year.

Sonny, Bailey and Cookie want you to have a great break, stay safe, stay well and be good!

# Covid reminders

Any child who is showing any COVID 19 symptoms **MUST** refrain from attending school until either a negative PCR test (not lateral flow test) result is received or until isolation guidance has been completed.

Should your child display symptoms whilst in school, you will be contacted and asked to collect them and to organise PCR testing. We ask that families do all they can to prevent the spread of the virus, by abiding by latest government guidance, getting tested if showing symptoms and self-isolating if necessary.

In order to protect our vulnerable children and families we appreciate you keeping us informed of positive cases within your household and/or when you are arranging PCR tests.

Any absence should be reported to the main office by either email [elm@elm-academy.org.uk](mailto:elm@elm-academy.org.uk) or by telephoning 01202 574212 and selecting Option 1.

Kind Regards

Mrs Fish
