

PE Impact Statement 2021/2022

At Elm Academy, our aim is to motivate all students to participate in a wide variety of sports through quality teaching that is engaging, challenging and rewarding. In all classes, children possess a wide range of physical abilities. Whilst recognising this fact, we provide suitable learning opportunities for all children by matching the challenge of the task to the ability of the child. Students will learn to take responsibility for the own health and gain a love for sport and themselves. The aim is to educate students to live a happy and healthy lifestyle utilising the skills and knowledge acquired through their PE experience at Elm Academy.

We additionally aim to promote the underpinning values and disciplines that PE promotes. Through strong links with PHSE we promote the overall well-being and health of each child through teaching about self-discipline and that to be successful you need to take ownership and responsibility of their own health and fitness.
