

Elm's exciting curriculum

▲ Huge Congratulations to all the children for such fantastic performances

Message from Mrs Fish

I can't believe we are at the end of the first term already, so much exciting learning has taken place and so many great experiences.

I have had the great pleasure this week of watching all year groups performances and weren't they great! We have toured the USA, experienced WW2 and lived through Henry the VIII's wives! I was blown away by Year 3 and their musical talents, Year 1 and their delightful singing and Year 2 of their story telling of Santasaurus. Christmas wouldn't be Christmas without the nativity told by Nursery and Reception in their own special way. Well done to all the children, such great performances and it was so lovely having you all in school again.

Lastly, I wish you all a very special holiday and let's look forward to a brighter New Year.

Inclusion Team Update

I would like to take this opportunity to wish Mrs Yetton the very best of luck. She is not leaving Elm as such, but will not be working solely at Elm for the next year as she takes on a sabbatical working for AAT across all the primary schools. I am very pleased to say Mr Read will be stepping into Mrs Yetton's role for the year and I can assure you a very careful handover has taken place. Mrs Yetton will still be around to support Elm when needed. We will greatly miss her and are very thankful for all the work she has done to build a strong successful Inclusion Team who offer such great support to both the children and families. Good Luck Mrs Yetton!
