

Elm's exciting curriculum

Reception

Story time at our visit to the Library

Message from Mrs Fish

Well done to all those children who have recently taken part in sports activities representing Elm, as always, we get wonderful feedback on how well behaved the children are.

Although some classes may not be in school on Wednesday 1st February we would encourage children to read and log on to the online platforms available. For those children who are in school it will be an opportunity to consolidate previous learning. Wednesday will be a non-uniform day for the children in school.

Congratulations to the families who have already won our new attendance prize, all it takes is 100% attendance for that week. Got to be in it, to win it! And it could be you!

Year 4

Having fun with our Roman artefacts.

Elm Exciting Curriculum

Year 4

Year 4 have been investigating historical diets in science. We observed the differences between diets in different eras of the past by examining examples of poo. Don't worry it was fake

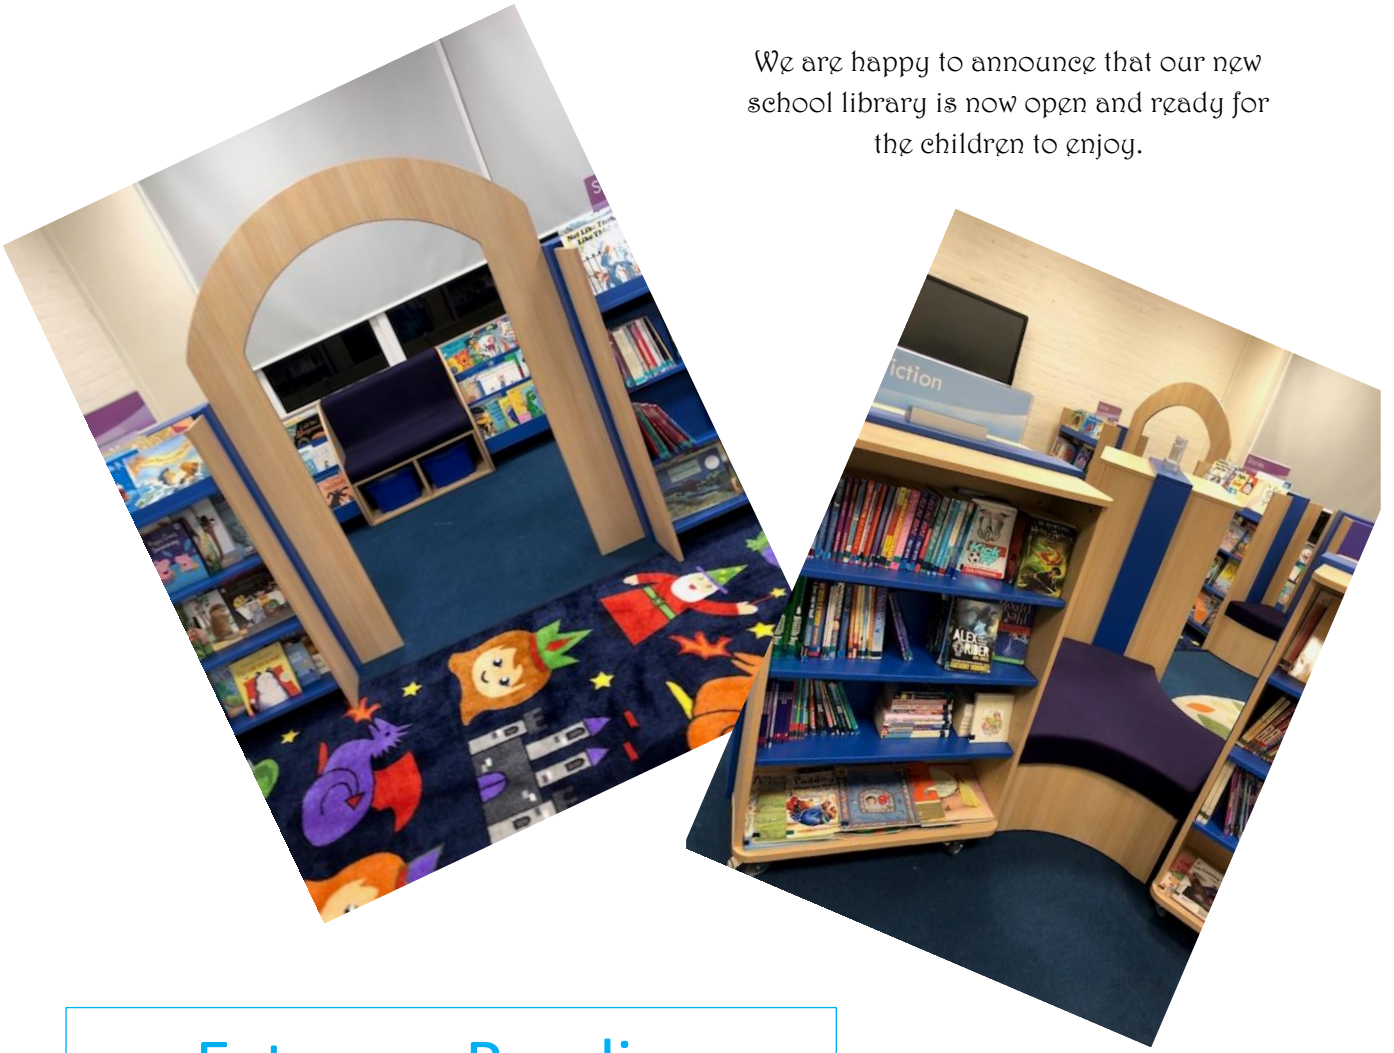

Elm Sporting Event

Well done to all of the children that competed in indoor athletics this week. You all put in amazing effort and were all outstanding!

New Library

We are happy to announce that our new school library is now open and ready for the children to enjoy.

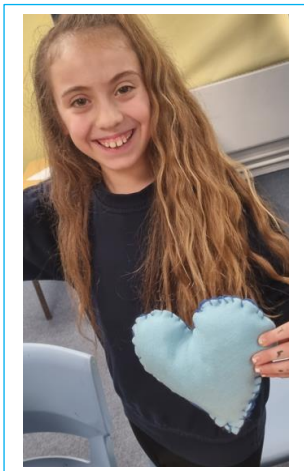

Extreme Reading

Its that time of year again; we are looking forward to your weird and wonderful photographs of your children reading in extreme situations. Please remember, the photos have to be taken by an adult (no selfies) and safety is the priority. You can start sending these in to elm@elm-academy.org.uk as soon as you like, with your child's name and class within the body of the email.

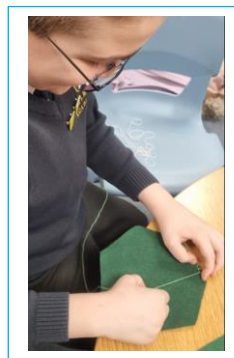

Elm Afterschool Clubs

Arts & Crafts - made some 'Fringed Neck' Lizards

Sewing Club – cushion making

CONGRATULATIONS
