

Exciting Curriculum

Year 3

Message from Mrs Fish

What a fantastic and busy half term with some amazing achievements. A super well done to 4GC and 2TB who managed every child to read five times a week for a whole half term, which is a great achievement! We have had great success too on the sports field with all of our football teams winning this half term. Well done to all the pupils who played.

Thank you to Year 6 and Year 2 who took their testing in their stride.

Finally a huge congratulations to all of the children who took part in the first Elm's Got Talent last night. We really do have some future stars here at Elm!

Have a great break everyone and enjoy the sunshine. Thank you again for your continued support.
